READ THIS YOUNG MAN!

At the age of sixty, 95 per cent. of men are dependent upon their daily earnings or on their children for support—a distressful situation; no one is rendering sweeter to old age than independence.

If you do not save while young and strong, you may suffer want when you grow old and weak.

Deposits Made In This Bank Earn Four Per Cent.

Interest allowed, compounded quarterly, and you are invited to become a regular depositor during your harvest period, so as to be ready for the drought of old age.

Preface

There are few cities the size and many larger than Wilson that fail to show the same business push and enterprise. This Directory will show to all who see and use it that Wilson is an up to date City and one in which public spirit runs high.

The publishers of this Directory feel compelled to thank the merchants and citizens generally for their generous support and kindness in giving to our canvassers all necessary information. This has enabled us to make a Directory that we feel confident will prove serviceable both to the citizens and stranger alike.

The publishers have tried to give the people one of the most complete compendiums of information ever before compiled for their use. It is prepared with commendable care, and with scrupulous exactness, it embraces the names of every individual of this city, with residence and occupation; a list of all the manufacturing industries, all the business houses, the names of all streets, and much other general information which business people need and desire.

The City Directory should be in the hands of every business and professional man. If you wish the latest address of any resident consult the alphabetical portion of the book. Consult the miscellaneous portion if you desire the location of any church; Federal, State, County and City Officials are to be found there. All secret societies and their officers; in fact the miscellaneous department is a mine of information. The third department of the Directory is the classified business portion, where will be found, under the appropriate heading. the name of every person doing business in the City of Wilson. The fourth department is the Streets and where located.

The publishers, Hill Directory Company, of Richmond, Va., enjoy a national reputation in this line of work, having successfully conducted it for years, acknowledging no superiors and but few equals.

You can buy copies of this Directory at the office of "Gill's Book Store, 106 e Nash."

Very truly,

HILL DIRECTORY COMPANY, Publishers.
